MESSAGE FROM THE CHAIRMAN

Global Education With An Indian Soul

The future of our world is in our hands. As we raise future leaders, sportstars, artists, thinkers and innovators, we must remember that we are living in a global world that is changing constantly. Conventional learning can no longer build our foundation, new ideas alone can shape a new tomorrow. At the forefront of transforming education in new India, we, at Jaipuria School look at education beyond textbooks and exams. We believe in integrated, holistic education that opens minds, nurtures skills, cultivates values and unleashes every child's potential.

I welcome you to join us in this journey. I am sure this will be as enriching and rewarding for you as it is for us.

MESSAGE FROM THE VICE - CHAIRMAN

RAISING LEARNERS FOR A NEW WORLD

Every child is a unique gift of talent and dreams. It is for us to help him/her to discover and unleash them. At Jaipuria School, we mould each child to be the best. Our children learn and grow at their own pace in a warm, enabling environment that supports them at every step.

Jaipuria's integrated approach focuses on physical health, emotional well-being as well as intellectual growth. Cultivating values like sharing, empathy, responsibility is as important as performance in school tasks. Above all, we make sure that children enjoy each day and come back curious to know more.

We see ourselves as not just a school but as a platform where children find world's best resources to become good humans who contribute to the nation as well as the world.

I invite you to discover this new way of learning and growing at Jaipuria.

MESSAGE FROM THE DIRECTOR

RAISING STANDARDS TO ACHIEVE IT

If you too are creative and innovative; If you want to establish an image of your own, or be a leader in whichever avenue you dream for... If you want to take wings on the latest technologies, still are grounded in eco-friendly initiatives... If you are looking for contributing distinctively by your inventive deeds with utmost creativity, Seth M. R. Jaipuria School, Shikohabad is the apt school for you. Ideation, Innovation & Creation are the hallmarks of excellence, and these are the values on which the school is being built. Come and embark on this journey in pursuit of excellence alongside us.

TRANSFORMING EDUCATION IN SHIKOHABAD

Shikohabad is a city and a municipal board in the Firozabad district of the Indian state of Uttar Pradesh. Bateshwar, a famous Hindu pilgrimage centre dedicated to Shiva, and also a famous Jain 'Tirth' on the banks of River Yamuna, is situated 22 kilometres south of Shikohabad. The old name of Shikohabad was Mohammad Mah (the name still exists as Mohmmad mah near Tahsil and Rotwali). Shikohabad is named after Dara Shikoh, the eldest brother of Emperor Aurangzeb. In its present form, the town has hardly any recognisable evidence of that era, Shikohabad is well connected with other cities by roadways as well as railways. This city is connected with cities like Agra, Firozabad, Mathura, New Delhi, Noida, Etawah, Kanpur, Allahabad, Varanasi, Patna, and Kolkata by National Highway 19 (formerly known as NH-2) and it also connected through Agra Lucknow Expressway connecting Agra, Lucknow, Kanpur Mainpuri, and Etawah. It is 10 km from district Headquarter. Distance of this place from New Delhi is 257km and from Agra is 61km. Shikohabad Railway Station is located on Delhi Mugal sarai main line of North Central Railway having direct connection to Delhi, Kolkata, Mumbai, Agra, Etawah, Kanpur, Jaipur, Lucknow, Mainpuri and Farrukhabad.

ABOUT SETH M. R. JAIPURIA SCHOOL, SHIKOHABAD

An academic institute should stand for dreams, building of character, skills, and defining a person's life. At Jaipuria, we understand that the years that a student spends with us would 'shape or break' that individual, so there is great power and greater responsibility in the hands of the school. The purpose of Seth M. R. Jaipuria School, Shikohabad is to prepare a new generation of responsible social leaders that will help the world at large, be proactive to meet the global challenges of the 21st century and surpass beyond the realms of the ordinary. The entire value system of the school is driven around innovation, creativity and entrepreneurship. The underlying context is always that there should be the desire for excellence, zeal to go beyond the regular, and provide for growth and development of individuals and societies in the coming future. We welcome you to experience this magnificence in your city, Shikohabad!

JAIPURIA SCHOOLS: SHAPING FUTURE THROUGH INNOVATIVE EDUCATION

The school endeavours to improve access to quality education that is relevant in today's environment through participative learning, says Shreya Jaipuria, Vice Chairman, Seth M.R. Jaipuria Schools and Jaipuria Institute of Management, in an interview with **Elite News Network (ENN)**.

How the technology can be used to improve the learning outcome of students?

Shreya: For students to be able to improve their learning outcome, they need to be able to learn from the technology. The challenge is to ensure that the technology is used in a way that makes sense to the students and not just for the sake of the technology.

How important is the student-teacher relationship in schools?

Shreya: The student-teacher relationship is the most important factor in a school. It is the foundation of learning. The teacher should be able to connect with the student and make them feel that they are part of the learning process.

With an ever changing demand of the education sector, how Jaipuria School is keeping its hands in the ever changing education?

Shreya: We are constantly evolving and adapting to the changing demands of the education sector. We are focusing on providing a holistic education that covers all aspects of a student's life, from academics to sports and extracurricular activities.
